

MRH12S01

"MRH-S" series hose-proof protection hood

> CONTATTACI

Stainless steel (AISI 304) cover with FDA-compliant gasket to be applied to exhaust filters and filter fans to protect the internal components of the electrical panel from water jets and the ingress of solid objects, in order to elevate the protection rating to IP56. Ideal for applications with high hygienic standards in the Food & Beverage sector and for outdoors. Also available in powder-coated steel cover RAL 7035. Patent Pending
