

MRH15MU1

"MRH-M" series hose-proof protection hood

> CONTATTACI

Powder-coated steel cover RAL 7035, to be applied to exhaust filters and filter fans to protect the internal components of the electrical panel from water jets and the ingress of solid objects, in order to elevate the protection rating to IP56. Also available in stainless steel (AISI 304) and with FDA-compliant gasket for applications with high hygienic standards in the Food & Beverage sector and for outdoors. Patent Pending
